Learn to Sail on the Charles River this Summer!

What is Community Boating, Inc. (CBI)?

- CBI has sailing, kayaking, windsurfing, and paddleboarding.
- CBI is the place that kids love to spend their entire summer! Over 1,200 kids sailed with us in 2016.
- CBI is one of the oldest and most respected community sailing programs in the country.
- CBI’s motto is Sailing for All! We’re affordable, accessible, and friendly.

What will our time at CBI include?

- To start, kids will take the week-long Learn-to-Sail Class.
- Each day will include on-land lessons and on-the-water practice and coaching.
- Instructors put safety first and fun second – expect games, races, and other fun activities!
- Kids earn the privilege to sail, kayak, paddleboard, and windsurf independently or with their friends.
- The Charles River is a playground for kids from 8:30am to 3:00pm every weekday in the summer.
- Rain or shine, there are always activities at the boathouse, including board games, and books to read.

Why should kids come to CBI?

Sailing provides unique opportunities for kids to experience the outdoors and step out of their comfort zones. Aside from sailing skills, kids will gain a variety of life skills including:

- Independence: sailors are in control of the boat and set their own course.
- Leadership: with experience, sailors are captains of their vessels, and teach others the ropes.
- Confidence: sailors gain new skills and experiences; they face and overcome challenges.
- Teamwork: sailors must work together to rig, launch, and get sailing!

Great! How do I get involved?

Logistics:

- CBI is easily accessible by public transit (Charles/MGH stop on the MBTA Red Line).
- Membership includes all classes, activities, and open sailing. Membership is as low as $1.
- All students must turn 10 years of age during 2017 and be able to swim 75 yards to participate.

To Register:

- Registration opens at www.sailcbi.org/kids on February 1st. Class signup is announced later.
